

**Lake and River Enhancement Program
Aquatic Plant Herbicide Treatment – Contractors List
IDNR Division of Fish & Wildlife**

This list of consultants has been compiled by the Indiana DNR Division of Fish & Wildlife to assist persons seeking consulting services and products related to lake and river enhancement. It does not include all practicing professionals, but lists only those who have expressed an interest in providing such services and have provided adequate information to the division to demonstrate their ability to perform the types of activities identified. The division does not test for effectiveness, endorse, make any express or implied warranties, or otherwise accept any responsibility for any products sold or recommended by the listed entities.
